

AL KHAMES METAL
BUILT TO LAST

ABOUT US

The company was incorporated in the year 2012 as a contracting company (civil and MEP) and expanded its focus into metal fabrication involving steel and metal works in 2024 as a wholly owned Saudi company registered in Riyadh, Saudi Arabia. Our current workforce comprises around 30 employees with diverse skills.

Over the years, we have grown horizontally and vertically, expanding our services across multiple industries. We provide comprehensive support and services to the public and private sectors and continue to innovate our service to consolidate our market leadership and set new benchmarks.

VISION

To be recognized as the most trusted and respected contracting and metal fabrication company in Saudi Arabia with state-of-the-art facilities and equipment profound expertise and a customer-oriented workforce.

CORE VALUES

Integrity, customer obsession, innovation, teamwork, respect, accountability, quality and transparency.

MISSION

Thrive to strategically grow through modernization, continuous improvement, creativity, innovation.
